Last month the Athens Area Association of Realtors Public Relations Committee arranged for an Elvis impersonator, Realtor Chris Shupe, to perform for residents at Grandview Care Center. Elvis performed various songs and entertained residents during the visit. After Elvis had left the building, PR Committee members socialized with residents. The AAAR PR Committee arranged for monthly Realtor visits in 2006 to Grandview Care Center. Members spent this time socializing with residents. The next visit is scheduled for November 15th.
